DELUGE AND THE ARK: A JOURNEY INTO PRIMATE WORLDS

Book Condition: New. Ships From Canada. New in new dust jacket. Sewn binding. Paper over boards. 378 p. Audience: General/trade. From Library Journal This combines unusual travelogue and observations of Third World culture with an analysis of global patterns of supply and demand for wildlife and the forest products harvested (sometimes destructively) from their habitat. Peterson poses some challenging questions: What is worth more, farmland for famished people in overpopulated developing nations or virgin forest habitat for black-and-white colobus monkeys?...

The publication is easy in read better to understand. It is written in basic words and phrases rather than hard to understand. You won't truly feel monotony at anytime of your respective time (that's what catalogues are for about if you question me).
