Reviews

This pdf is wonderful. We have gone through it and so I am certain that I am going to go back to study it yet again once more in the future. It has been developed in an exceedingly straightforward way which is merely after I finished reading through this pdf where it really transformed me, modified the way I think.

LAP Lambert Academic Publishing Mrz 2014, 2014. Taschenbuch. Condition: Neu. Neuware - Demand Analysis of Nigerian Shipping Market is a perspective into the economy of Africa's oil hub, Nigeria, whose import dependent economy was analyzed in this work. A sustainable ship owning development pathway was developed for the Nigerian economy. The analytical approach applied includes an extension of the gravity model to commercial shipping, and spatial regression analysis, demand econometrics and other scientific methods. The distribution of freight of major maritime carriers was studied in the work. A supply chain analysis of both merchant and oil freight of the economy was performed considering all origins and destinations of the shipping market including, but not limited to United States of America, European Union, India and Asian countries, South America and rest of the world. 168 pp. Englisch.
