FORTS: FATHERS AND SONS

Quiet Corner Press. Paperback. Book Condition: New. Steven Novak (illustrator). Paperback. 402 pages. Dimensions: 9.0in. x 6.0in. x 1.0in. For Tommy Jarvis, life has never been simple - quite the opposite, in fact. It is, however, about to become decidedly more difficult. Moments after stumbling through a doorway to another world, Tommy and his friends discover they are the key to ending a war in which the casualties are too great to count and their chances of survival are almost nonexistent. After stumbling through a doorway hidden at the base of their tree fort, the brothers find themselves caught in the middle of a war that has raged for years and left behind more casualties than numbers dare count. The *Forts* series continues with *Forts: Liars and Thieves*, and *Forts: Endings and Beginnings*. Praise for *Fathers and Sons* 5 of 5 Stars! No one should miss out on this series. It sticks with you long after the final page is turned. - *Completelybookessed* What you don't expect are those singing moments of poetry, of beauty, and the life lessons woven behind every chapter. Novak isn't just trying to tell you a fantastic adventure story. Novak is trying to teach you something about himself, and, by extension, something about you. - MJ Heiser, Author of *Corona* There are moments along their journey, and even before it...
