

Gadsden:: City of Champions

Filesize: 7.49 MB

Reviews

It is one of the most popular books. I am quite late in starting to read this one, but better than never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Camille Larson)

Arcadia Publishing (SC), United States, 2002. Paperback. Book Condition: New. 247 x 173 mm. Language: English . Brand New Book. On July 4, 1845, the piercing sound of a steamboat's whistle along the banks of the Coosa River served as an exotic, technological proclamation for the beginning of a new era in Northeast Alabama. The landing of Captain James Lafferty's steamboat, the Coosa, marked the genesis of a new town and the realization of a shared vision of Gabriel Hughes, Joseph Hughes, and John S. Moragne. From that moment on, hundreds upon hundreds of pioneering men and women immigrated to Gadsden in the latter part of the nineteenth century pursuing the American dream of land and opportunity. Gadsden: City of Champions, with over 100 black-and-white illustrations, presents a comprehensive history of Gadsden's astonishing development and details the various stages of the city's evolution, from a neutral playing field between rival Cherokee and Creek tribes, to a wilderness stagecoach stop, to a humble village, to a major riverboat port, into a modern industrial city. Amid streetcars, opera houses, bustling mills, and unpaved streets, readers meet local figures, such as Colonel R.B. Kyle, Captain James M. Elliott Jr., Judge John H. Disque, Emma Sansom, and John W. Wisdom, and a host of colorful characters—riverboat pilots, theater managers, mill workers, Pulltight saloonkeepers, and bootleggers—against an epic backdrop of war, Reconstruction, depression, fire, and prosperity.
