

Prophetically Sing a New Song: Pray, Praise and Expect (Paperback)

By Apostle Dr Christine Gooden

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Every time I get a song from the Lord I just become filled with joy. I know he is answering whatever prayers that have been in the forefront of my list. For myself as well as others I know this is prophetic. It gets in my spirit, I sing it over and over. The lyrics and the music I hear are synchronized. Ask God for a new song when you are going through, it will cause your tears to dry up. Your joy will rise up in your belly causing the utterance of the Holy Ghost to flow giving you a praise and assurance because I know for a truth that God cares for you. The Peace is sweet, the Love is deep. His Love works a perfection in me and you. It s a glorious experience.
