LOVE NEVER DIES - A PSYCHIC ARTIST ILLUSTRATES TRUE STORIES OF THE AFTERLIFE (PAPERBACK)

Jane s Inspiration, LLC, 2017. Paperback. Condition: New. Jane de Forest, Tara de Forest (illustrator). Language: English . Brand New Book ***** Print on Demand *****. Psychic artist and medium Jane de Forest draws on the invisible world behind our five senses in this entertaining first-hand account of people reunited with loved ones and animals in the afterlife. She investigates how the connections and bonds shared in earthly relationships are unbroken by death in this richly illustrated book filled with beautiful art and gentle insights. Based on true stories, Love Never Dies is a humbling and magical journey through the struggles, mishaps and heartfelt rewards of translating messages between different realities. From ancient mysticism to modern New Age philosophy, this book is an excellent read for those interested in parapsychology and prophecy, reincarnation and spiritual healing, as well as a lovely gift for those grieving loss. Three generations of women created this work: my elderly mother did the heavy lifting with hours of rewrites, and my 12-year-old art-prodigy daughter Tara illustrated half of it. The romantic image of being a published author dimmed quickly with heated debates (read: editing wars) with my maternal editor about important topics such as commas; this process took three years and seemed to have a mind of its own -- the stories hounded me into the wee hours of the morning when I was without defenses. Once I figured out that writing the stories down insured uninterrupted sleep, this book was born. I hope this work will make a small difference in a world that has forgotten what is important. I am deeply grateful to my clients and family for allowing me the opportunity to share their private spiritual journeys. Truly, we are all interconnected and entangled . . . love is our foundation
