Gorghan is just about to launch himself into total domination of the entire Universe and the only thing that stands between him and his monstrous plan, is a hummingbird called Ruby. Will Gorghan succeed in his quest and become as infamous in the world s history as Attila the Hun and Ivan the Terrible? Ruby and the Luminarian Cross is a heady fusion of science fiction, history, ecological and environmental commentary and the inevitable interaction of human relationships set against the backdrop of different time zones. The struggle with good and evil which underpins the story also contains a warning about how the human race interacts with the planet Earth. Ruby and the Luminarian Cross takes the reader on a compelling journey which is fascinating yet quite unpredictable. The course of the plot is unexpected, pacey and maintains interest. Ruby and the Luminarian Cross will appeal to readers across several genres.
