Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from St. Teresa s Book-Mark: A Meditative Commentary My Mother St. Teresa was a remarkable poetess because she was a great Saint. All the Saints are poets, although not all have left us written in rhythmic cadences the ardent sentiments of their deified souls. The foundation of poetry is truth, its distinctive trait is sentiment; its attractive gala apparel is lent to it by the imagination. He was not entirely wrong who defined poetry: as the language of passion and of an ardent imagination. (Blair s Lessons in Rhetoric and Fine Arts. XXXIV.) An inspiration suddenly surprising one s spirit, envelops it in a nimbus of light and moves it deeply. Behold the soul of poetry! At its light all the faculties of the soul awaken, and the warmth that they irradiate communicates itself to the fancy, the heart, perhaps to the very senses; and thus, all the vital forces concentrating on the object that awakened them, the spirit sings or weeps, that is, feels itself a poet. Truth is to souls what the sun is to creation. Its light is always the same, but its effects are very different and even opposite, according to the point upon which this light is projected. If the luminous rays fall upon a quagmire, they cause germs to develop and with them poison the air we breathe. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
