Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Jump into the mystical world of Western magic by reading *The Living Fire, the Soul Power of the Universe* by Jessie Rogers. The late 19th and early 20th Century saw a revival of Western mysticism, or occult, which drew on alchemy, naturalism, astrology and other sources of knowledge to develop an alternative to traditional religion. *The Living Fire, the Soul Power of the Universe* takes readers on a path to greater understanding of the universe and themselves. The first half of the book explains the theory of the universe. Fire is the life force of every living being and the nature of this fire is discussed and deconstructed. Rogers relies on the teachings of elders, Eastern religions, alchemists and others with forgotten wisdom to formulate his ideas. He notes that science is discovering evidence proving the claims that learned men of the Orient made thousands of years ago. Like many new age practitioners of the time, he embraces the teachings of the Orient, Hinduism and Buddhism, which becomes obvious in the second half of *The Living Fire, the Soul Power of the Universe*. The second half of the book is about harnessing the secret spiritual powers of man. Rogers explains that men should have the power to heal the sick, cast out devils and foresee future events. He discusses several laws and theories explaining how this is done, including the law of vibration, magnetism, astral fluid, Pranayama breath, and Mesmerism. There is a list of physical exercises designed to teach you how to control your Will, to develop personal magnetism, as well as tap your latent powers (like telepathy, trance sleep and psychometry). The final section contains exercises to teach you how to...
