When a young widow finds a severely injured man on the beach, she discovers he isn t human. Now Micah is Katie s secret, but how will she keep the secret, help him recover, and not lose her heart to him? . .Demanding and insistent, the voices came back into my head and evaporated this temporary bliss right out of me. He s not the same species! You want children-not guppies! the voices screamed. He s married, maybe a widower, but still, you can t even take him home to meet your parents! another voice insisted. Even if he is a widower, how will you get him to a wedding ceremony? another one questioned. How will you explain his tail? How indeed, I thought. He is so insistent that I keep him a secret. How could we ever have a life together? I asked myself. Then the real issue: you don t even know if he would want to marry you if the circumstances allowed for it. Aren t you getting way ahead of yourself? Love can happen in the most improbable place at the most improbable time under the most improbable circumstances.
