

Biblical Theology in the Life of the Church: A Guide for Ministry

By Michael Lawrence, Thomas R. Schreiner

Crossway Books. Paperback. Book Condition: new. BRAND NEW, Biblical Theology in the Life of the Church: A Guide for Ministry, Michael Lawrence, Thomas R. Schreiner, Biblical theology is taken down from the shelves of misunderstanding and neglect and placed in pastors' hands as the practical, everyday tool it is. Capitol Hill Baptist Church associate pastor Michael Lawrence contributes to the IXMarks series as he centers on the practical importance of biblical theology to ministry. He begins with an examination of a pastor's tools of the trade: exegesis and biblical and systematic theology. The book distinguishes between the power of narrative in biblical theology and the power of application in systematic theology, but also emphasizes the importance of their collaboration in ministry. Having laid the foundation for pastoral ministry, Lawrence uses the three tools to build a biblical theology, telling the entire story of the Bible from five different angles. He puts biblical theology to work in four areas: counseling, missions, caring for the poor, and church/state relations. Rich in application and practical insight, this book will equip pastors and church leaders to think, preach, and do ministry through the framework of biblical theology.
