paperback. Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Paperback. Pub Date :2009-08 Publisher: Xinjiang Youth Publishing House contents Introduction book from teaching work. teacher interpersonal three new teachers to make some suggestions and advice. to remind new recruits some of the problems facing teachers tell new teachers should be how to deal with these problems. Preface many new teachers go to work after the contempt in front of the work (especially elementary school teaching). and feel that is very simple. it is not true. The professional knowledge and teachers' professional theory and practice is a combination that is an art! If only the knowledge of the classroom students will not like it. they will feel very tired! Only go to work will know: the professional growth of teachers. discipline expertise is just a small piece of it. more effort seems to have on teacher professional exercise. Such as the bell rang. walked into the classroom. the students are very noisy. how would you do? School students to mention beyond the knowledge of the scope of the problem you are ready. how would you do it? How do we...
