Forgotten Books, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Zionism and Jewish Culture Whether with a view to preserving Judaism or to saving the Jews from extinction, it was necessary to set up a counter acting force to this centrifugal self-despising movement; and that force could be found mainly in the encouragement of Jewish culture. From its inception, then, the Zionist move ment has embraced as part of its programme the revival of the Jewish consciousness - end that in two directions: by the re-establishment of a Jewish system of education and a Jewish national life in Palestine, and by the endeavour to stimulate the Spread of the Hebrew language and the knowledge of Jewish history and literature, and generally to revive the national consciousness, in the communities of the Diaspora.
