Every day your child is acquiring skills needed for entry into the world beyond family and home. Arrival at school brings many new experiences, perhaps most importantly, the experience of learning to read. This book provides practice in basic Kindergarten reading skills. Although some activities seem simplistic, their mastery is essential for early readers. In addition, the tasks are designed to strengthen your child's ability to problem-solve, think critically, and become familiar with the academic language commonly used in the school setting. Upon your child's completion of each activity, use the provided incentive chart and stickers to track progress and celebrate your child's success. Whether students need extra practice with grade-level skills or a head start on next year, Stick Kids Workbooks offer engaging activities, games, and puzzles that help make learning lots of fun. Each 56-page book features full-color activities, a list of the skills, and an explanation of why those skills are important for development. Also included are helpful tips, an answer key, a handy tracking sheet, stickers for acknowledging achievements, and appearances by the lovable Stick Kids!
