

The Second Rule of Ten: A Tenzing Norbu Mystery (Paperback)

By Gay Hendricks, Tinker Lindsay

Hay House Inc, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. Beware your old, limited models of thinking: no matter how safe they make you feel, eventually you will become their prisoner. That's the second rule of Ten. Tenzing Ten Norbu - ex-monk and ex-cop - is back! In The Second Rule of Ten, the next book in the Dharma Detective series, our daring detective faces a dead Hollywood producer, an ailing philanthropist's missing sister, and a way-too-sexy pathologist, who are all wreaking havoc with his serenity - and that's before the arrival of cartel king and arch-nemesis Chaco Morales. As Ten moves deeper into the case, things get personal when his two best friends in Dharamshala go missing, and his former LAPD partner, Bill, turns oddly distant. Ten's journey for the truth propels him from gang-ridden, dangerous Boyle Heights in east LA to Lhasa, Tibet, and back again. He must wrestle with more than one limiting thought and inner enemy if he is to identify, much less overcome, his rapidly multiplying outer ones.

Reviews

The publication is great and fantastic. It can be filled with knowledge and wisdom You wont truly feel monotony at at any moment of your time (that's what catalogues are for about if you ask me).

-- **Dr. Marcos Grimes III**

The most effective publication i at any time read. We have study and i am sure that i will likely to read yet again once again in the foreseeable future. You will not truly feel monotony at anytime of your time (that's what catalogs are for about in the event you request me).
