WestBow Press, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.In 2007 Melissa bought a movie called The Seventh Sign based on the end of days in the Bible. Halfway into the movie, just as the hail started to pour out of the sky in the movie, hail suddenly started to rain down around her new farm. As the hail ended in the movie, it ended from above. It left as suddenly as it came. God gave hail as the seventh sign to the Pharaoh of Egypt through Moses, a seventh plague that fell upon the land so that all the earth would know that He was the Lord God. After this, Melissa discovered her pure red heifer was born in the holy year of Sabbath on the first day of the Feast of Tabernacles/Sukkoth 2007. About three thousand years earlier on that very same day, King Solomon sacrificed a perfect red heifer for the first temple in Jerusalem. She also realized that her four horses aligned with the four horsemen in the book of Revelation; she later found her gray one, the pale horse of death, had been born with a crescent moon and star upon its forehead and on the first day of Passover. As Melissa was discovering these amazing facts, seven crosses formed in the lines of her right hand, and the Star of David formed in the lines on her left hand with a fish and cross inside of it. She also had visions from God; the most amazing was about a new border for Israel. This is her true story.
