

## The State of the Constitution--2017: Cases, Events and People That Shaped the Constitution from 2000 to 2016 (Paperback)

---

By C Paul Smith

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. The State of the Constitution-2017 is a compilation of seventeen editions of the newsletter, Constitutional Law Updates (from 2001-2017). These writings contain lucid, concise and insightful analysis of the primary cases and events that have shaped the Constitution in the last sixteen years-from the Supreme Court case in 2000 that stopped the Florida recounts and resulted in the election of George W. Bush as President to the tumultuous and volatile campaign in 2016 that resulted in the election of Donald J. Trump as President, although he lost the popular vote by 2 million votes. This book will be a valuable resource book for elected officials, historians, Constitutional scholars and informed citizens. These writings were initially written to supplement the text, The State of the Constitution (2002), but the value of these essays, commentaries and opinion pieces warrants the publication of this book as a stand-alone volume. Those who love the Constitution will cherish this book and will find it a valuable resource in addressing many of the important moral, legal and political issues that continue to shape the political debates today...

### Reviews

*A superior quality book along with the font employed was exciting to see. It is one of the most amazing book i have got read through. You wont really feel monotony at anytime of the time (that's what catalogs are for about in the event you ask me).*

-- **Santina Sanford**

*This pdf is wonderful. This can be for anyone who statte there had not been a well worth studying. You are going to like just how the writer write this pdf.*
