That body, itself the offspring of anarchy, in the most unlimited sense of the term, has in various ways and on various occasions doubtless in many instances by a peace, order and welfare of society, evinced a disposition to curb and curtail the power which it has sprung. On the 31st of May, 1800, it passed a law, as it appears, under the influence of an apprehension awakened by the Paris elections, which is said to have the effect of cutting the stroke, nearly three millions out of the ten, which, under the Republican regime, formed the constituency of France and its colonies. It was averred by the chief promoter of this tranchant measure, that its only object and effect was to cut the number of vagabonds, who had no claim to the elective franchise. Then, opponent, you at once confess and maintain of the ten in France, there are three, female adult vagabonds. of the President's power as settled by the constitution, was limited to a little more or less years; and as this period will reach its full course of next year, the whole kingdom already in a state of incipient fermentation, requires its renewal, and the political consequences immediately connected with it. This event is evinced by all parties, as the commencing of a new era in the history of the country. phraseology under which this is couched, is...
