Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.FREE EBOOK WHEN YOU PURCHASE THE PAPERBACK VERSION** While for many people, their current level of technology accessibility means that they are inundated with it at every turn, there are still those out there who, for one reason or another, simply can't cross that technological hurdle. Voice recognition software then offers them access to an entire new world, one where they don't need to worry about dealing with an interface any more complicated than the human voice. If this sounds like the type of interaction that you can get behind, then the Amazon Echo Dot is the device that you have been waiting for. The Amazon Echo Dot is a digitized personal assistant that sits in your home and awaits your instructions, 24 hours a day and 7 days a week. The Echo Dot, and its operating system Alexa, is capable of making almost any day-to-day interaction easier or can ensure it is done as quickly as possible. Being an audio-only device, however, means that if you are looking to have Alexa do something for you, you are going to need to know how to ask. That is where this book comes in as it will walk you through all of the tasks that most users commonly want Alexa to perform, before then taking you on a deep dive of the device, fully poking and prodding at all of its capabilities, secrets and Easter eggs. Like many great tools, the Amazon Echo Dot is only as good as the person who uses it is knowledgeable which means that the more you know about the device the better. This is easier said than done, however, as even the official...
