Hackett Publishing Co, Inc, United States, 2009. Hardback. Condition: New. 4th edition. Language: English . Brand New Book. A Rulebook for Arguments is a succinct introduction to the art of writing and assessing arguments, organized around specific rules, each illustrated and explained soundly but briefly. This widely popular primer--translated into eight languages--remains the first choice in all disciplines for writers who seek straightforward guidance about how to assess arguments and how to cogently construct them. The fourth edition offers a revamped and more tightly focused approach to extended arguments, a new chapter on oral arguments, and updated examples and topics throughout.
