University of Texas Press. Paperback / softback. Book Condition: new. BRAND NEW PRINT ON DEMAND., If I Can Do It Horseback: A Cow-Country Sketchbook, John Hendrix, Malcolm Thurgood, John Hendrix drew upon his own varied experiences for this panoramic view of West Texas ranch life, presented here in an integral compilation of flavorful articles written originally for The Cattleman. Touching upon virtually every facet of the cattle industry, they examine economic influences and technological changes as well as the personal and emotional aspects of range life. These are all considered in terms of their physical appearance and emotional impact, their importance as economic factors, and their effect on the duties of the cowboys. Written in direct language and savoring of the life they describe, these articles capture the beauty of the cattle country; as well as its violence, hardships, drudgery. John Hendrix's affection for...
