He was the leading Elizabethan tragedian before Shakespeare. His works are known for their overreaching protagonists and his use of blank verse. Little is known about Marlowes life, but there is much speculation about his possibly being a spy, homosexual, a heretic, magician and atheist. Edward the Second is an English history play about the deposition of the homosexual King Edward II by his barons and the Queen of France. The play begins with the recall of his lover, Piers Gaveston, from exile, and ending with his son Edward IIIs execution of Mortimer Junior for the kings murder This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
