MODERNISM: LARGE PRINT EDITION (PAPERBACK)**DOWNLOAD**

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****.Excerpt: On July 3rd, 1907, the Holy Father prepared a list of errors which, later, were grouped together under the name of Modernism, and condemned. On the 8th of September following he addressed to the Catholic world an Encyclical of incomparable fulness, vigour, and clearness, in which he sets forth his reasons for condemning Modernism. Thank God! these errors, which have so far invaded France and Italy, attract few followers in Belgium. You have been preserved by the vigilance of your pastors, by an impartial scientific spirit, and by the Christian submission that animates the representatives of higher learning in your country. Nevertheless, beloved brethren, I consider it a pastoral duty to bring to your knowledge this Pontifical Encyclical, which henceforth will be known in ecclesiastical history by its introductory Latin words: *Pascendi Domini gregis*, or, more briefly, *Pascendi*. Since the Holy Father addresses his letter to each Church in particular, that is, to the Bishops, priests, and Catholic laity, it is his intention that each one should individually profit by the Encyclical. The importance of this document, moreover, gives it an historic value: hence, those who are interested in our Mother, the Church, should know, at least in substance, its meaning. It is a well-known fact that scarcely had the Pope spoken, or rather before he had spoken, and from the moment that the telegraphic agents heralded his coming announcement, the unbelieving press began to misrepresent it, and the newspapers and reviews hostile to the Church in our country neither published the text nor the general tenour of the Encyclical with fulness or frankness. But with an eagerness and a harmony of opinion that altogether explain their attitude, they...
