

Teaching Management: A Field Guide for Professors, Consultants, and Corporate Trainers

By James G.S. Clawson and Mark E. Haskins

Cambridge University Press, Cambridge, UK, 2008. Paperback. Book Condition: New. First Edition. How can every management class be a dynamic, unforgettable experience? This much-needed book distils over half a century of the authors' combined experience as university professors, consultants, and advisors to corporate training departments. In a lively, hands-on fashion, it describes the fundamental elements in every learning situation, allowing readers to adapt the suggestions to their particular teaching context. It sparks reflection on what we do in the classroom, why we do it, and how it might be done more effectively. The chapters are broadly organized according to things you do before class, things you do during class, and things you do in between and after class, so that every instructor, whether newly-minted PhDs facing their first classroom experience, experienced faculty looking to polish their teaching techniques, consultants who want to have more impact, or corporate trainers wishing to develop in-house teaching skills, can benefit from the invaluable advice given. Contents Figures Why this book on teaching management? 1. Fundamental elements in teaching 2. Levels of learning: one, two and three 3. Adult learning theory: it matters 4. Planning a course: trips and tips 5. Planning a class: no...

Undoubtedly, this is the best function by any writer. This really is for those who statte there was not a really worth reading. Its been written in an exceptionally basic way which is merely right after i finished reading through this book by which really transformed me, change the way i really believe.
