Adams Media Corporation, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book. Think outside the puzzle with Adventure Tales Blackout Games! Combining the simplicity of word search with the creativity of magnetic poetry, this clever book dares you to black out words and phrases and transform classic pieces of literature into outrageous, poetic, or truly bizarre messages. Finally, here's your chance to helm your own exciting voyage. So go ahead, dig out that old pirate's hat (you know you want to) and start scribbling outside the lines, matey! What would you do if you lived amongst animals? He plunged downward through the bushes, to the stream at the bottom of the valley. There he checked, for he heard the yell of the Pack hunting, heard the bellow of a hunted Sambhur, and the snort as the buck turned at bay. Then there were wicked, bitter howls from the young wolves: Akela! Akela! Let the Lone Wolf show his strength. Room for the leader of our Pack! Spring, Akela! The Lone Wolf must have sprung and missed his hold, for Mowgli heard the snap of his teeth and then a yelp as the Sambhur knocked him over with his fore foot. From Rudyard Kipling's The Jungle Book.
