Reviews

A must buy book if you need to adding benefit. We have study and so i am sure that i am going to likely to study once again again in the foreseeable future. I realized this book from my i and dad encouraged this ebook to discover.
(Duane Fadel)

ALBINA AND THE DOG-MEN

Regan Arts, United States, 2016. Paperback. Book Condition: New. 210 x 140 mm. Language: English . Brand New Book. From the psychomagical guru who brought you *The Holy Mountain* and *Where the Bird Sings* Best comes a supernatural love-and-horror story in which a beautiful albino giantess unleashes the slaving animal lurking inside the men of a Chilean village. A darkly funny, surreal novel set in Chile and Peru, *Albina and the Dog-Men* is Alejandro Jodorowsky's sprawling modern myth in which sexual desire appears as a dangerous and generative force that mutates and transforms, unraveling identities and rending the social and moral fabric of a small town. Written with the stunning vision and cinematic flair he brought to his cult 1970s psychedelic freak-out films *El Topo* and *The Holy Mountain*, Jodorowsky turns the classic stranger-comes-to-town narrative on its head in his novel *Albina and the Dog-Men*. When two women, a beautiful amnesiac albino giantess and her protector, a leather-tough woman called Crabby arrive in this South American desert town, Albina's otherworldly allure and unfettered sensuality turns men into wild animals. Chased at the same time by a clubfoot criminal, Albina and Crabby must fend off their aggressors before the town consumes itself in an orgy of lust and violence. A modern-day Kafka story on hallucinogens, with strong doses of mysticism and horror, *Albina and the Dog-Men* reads like an ancient folk tale whispered at night, fused with an urgent critique of contemporary society and gender relations. Woven through a Jodorowskian fabric of killer bees, enchanted parrots, witches, prostitutes, midgets, omnisexual couplings and men gone canine is a universal story of love against the odds and the things that make us human.
