Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Columbian Selections: American Patriotism, for Home and School A larger volume, The Patriotic Reader, or Human Liberty Developed, is designed to place in the hands of teachers and the pupils of Normal, High, and other advanced schools such standard selections from the oratory and literature of all ages as will have permanent value and command the just favor of impartial critics of whatever section, faith, or party.
