

A Necessary End

Filesize: 3.96 MB

Reviews

Very useful to any or all group of men and women. It is written in basic words instead of difficult to understand. I realized this ebook from my i and dad recommended this publication to understand.

William Morrow Company, United States, 2016. Paperback. Book Condition: New. Reprint. 201 x 140 mm. Language: English . Brand New Book. How far would you go to get what you wanted? The author of Don't Try to Find Me returns with a taut, riveting novel of psychological suspense a domestic drama full of secrets and twists about a woman determined to have a child, her ambivalent husband, and a pregnant teenager with a secret agenda of her own. I know now that there was no other way things could have turned out. Tragedies are inevitable, just like the great love stories, like us. Thirty-nine-year-old Adrienne is desperate to be a mother. And this time, nothing is going to get in her way. Sure, her husband, Gabe, is ambivalent about fatherhood. But she knows that once he holds their baby, he'll come around. He's just feeling a little threatened, that's all. Because once upon a time, it was Gabe that Adrienne wanted more than anything; she was willing to do anything. . . . But that was half a lifetime ago. She's a different person now, and so is Gabe. There are lines she wouldn't cross, not without extreme provocation. And sure, she was bitten once before by another birth mother clear to the bone and for most people, it's once bitten, twice shy. But Adrienne isn't exactly the retiring type. At nineteen, Leah bears a remarkable resemblance to the young woman Adrienne once was. Which is why Adrienne knows the baby Leah is carrying is meant to be hers. But Leah's got ideas of her own: Her baby's going to get a life in California; why shouldn't she? All she wants is to live in Adrienne's house for a year after...
