An extremely awesome publication with lucid and perfect explanations. It is actually written in basic phrases rather than confusing. You will like how the writer publishes this book.

Clements Publishing, Canada, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Doug Webster's Text Messaging is one of the most compelling statements I have read on preaching the Gospel faithfully in a culture of change. Alive to the challenges every preacher faces in a world of evanescent meaning, Webster reminds us that the proclamation of the Word-what the world calls folly-is the wisdom of God. A book to be read and re-read by every pastor and every student of preaching. -- Timothy George, founding dean of Beeson Divinity School of Samford University and a senior editor of Christianity Today Douglas D. Webster (Ph.D., University of St. Michael's College) mentors future pastors at Beeson Divinity School in Birmingham, Alabama. Before coming to Beeson, he served as pastor of First Presbyterian Church of San Diego for fourteen years. He and his wife Virginia have three grown children. His other books include Soulcraft: How God Shapes Us Through Relationships and Under the Radar: A Conversation on Spiritual Leadership.
