Eldership Development: From Application to Affirmation (Paperback)

By Phil Taylor

Floodlight Press, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. There have been many great books written on the need for biblically qualified elders in the church. They do an excellent job unpacking the pertinent scriptures and theology to explain both why we need elders and what they should look like, act like, smell like, etc. once we actually have them. This is not one of those books. Rather, Eldership Development-From Application to Affirmation seeks to show you the actual process that one church uses to develop their elders over a two year period. Think of it like a case-study. You ll see the prerequisites and the application that potential elders fill out, and even the questions asked during the interviews. You ll get an in-depth look at the two-year process, all the way to the final moment when you affirm the new elder on stage in a gathering. Along the way, the author stops to explain from experience why he made the decisions he made on everything from book assignments to awkward questions in an application. After you ve read the books that tell you why you need church elders and what...
