Createspace, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Everything Beautiful, a book of poems by Princess MC Princess MC, a South Florida native and sharp tongued female rap artist of the late 80 s, shares a softer side of her lyrical genius through poetry, a reflection of her heart. To my readers: Poetry has always been an intimate and private affair for me; I realize now that much of what I feel and experience, is also the experiences of others with no words to express their emotions. I see so much beauty in the world, even when ugliness tries to blur it. I want to reveal the beauty that I see to the world. I want to rekindle flames, reunite families and friends and open doors for new love with the thought provoking, emotion awakening words of my poetry. When your heart aches to say words your mouth won t allow you to say, this book of poems will do the trick and say what you need to say. As I open my heart my heart to you, you may open your heart to the one you love. Princess MC.
