By Delle Jacobs

BRILLIANCE AUDIO, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Like her mother before her, Leonie of Bosewood carries Faerie blood in her veins, a secret she harbors to protect her own life. For although the people of eleventh-century England believe in magic, their ignorance and fear have made being different a very dangerous prospect. Caught between the human and Faerie worlds, yet belonging in neither, Leonie must guard her heart.no matter how strong the temptations. As the king s emissary, Philippe le Peregrine has watched Leonie mature from gangly girl to alluring woman. With each encounter, his attraction grows, but he knows a match between them can never be. For Philippe hides his own secret, one that has condemned him to a life of lonely celibacy for fear of harming the woman he loves. But when powerful forces prompt them to unite against a sorcerer intent on conquering the world, Leonie and Philippe realize that only together are they strong enough to combat the evil threatening to engulf them.
