Warren Ellis hugely popular web comic, *Freakangels*, is here, collected in print for the first time in this gorgeous, full-color trade paperback! Twenty-three years ago, twelve strange children were born in England at exactly the same moment. Six years later, the world ended. This is the story of what happened next. So welcome to Whitechapel, some years from now, just barely above ground in a flooded England, where a clan of eleven strange people with purple eyes - the *Freakangels* - have carved out some sort of a life for themselves. A life that starts to show big cracks when a girl called Alice from Manchester turns up with a shotgun and a grievance, having met the lost, prodigal last *Freakangel*, who had very different ideas about what they should do with themselves and this flooded future England. Because the *Freakangels* have a big secret: Something very bad is their fault. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
