Excerpt from New York State s Prominent and Progressive Men, Vol. 1: An Encyclopaedia of Contemporaneous Biography It is the aim of the present work, in this and the succeeding volumes, to set forth the life-records of a considerable and representative number Of the prominent and progressive men Of the Empire State of the American Union. They are chosen from all honorable walks of life, public and private. They represent all political parties, all departments of industry and trade, and the various learned professions which fill SO large a place In the social economy Of the modern community. Some Of them are in af?u ent and some in moderate financial circumstances. Some of them have finished or are finishing their life-works, and some of them are, seemingly, only upon the thresholds of their careers. There is no intention nor attempt to choose or to compose a class, save as native ability and achieved leadership in affairs may be the characteristics of a class.
