Reviews

This publication is indeed gripping and intriguing. It is actually written in basic terms and not difficult to understand. I am just pleased to explain how here is the greatest publication we have read through during my own lifestyle and could be the best pdf for at any time.

General Accounting Office, 1999. OCLC Number: (OCoLC)42379936 Subject: Alien criminals -- United States. Excerpt: . . . B-278745 INS In a December 1997 letter responding to our recommendations, told your Subcommittee that it recognized the need to automate its processes for identifying and tracking its processing and removal of criminal aliens. INS has begun an effort to establish an automated federal IHP tracking system that is to capture information, such as name, date of birth, country of birth, and A-number, if available, on foreign-born inmates in BOP correctional facilities. This information is to be used to perform record checks in other databases to make a determination on an aliens removability. As currently designed, the tracking system does not include information on removal hearings, nor does it capture data on whether INS aliens have been removed. According to, it plans to augment the tracking system by making it compatible with another system that is to include this information. We did not assess the feasibility of making the systems compatible. Also, officials told us that the plan is to expand INS IHP this system to include state programs, but no action had been taken as of June 1998 to determine whether the tracking system could be adapted to state data systems. INS is in the process of developing, testing, and implementing the tracking system at federal facilities. According to an INS official, the tracking system was pilot tested at INS Oakdale, LA, federal IHP site between March and June, 1998. The official also said that the tracking system was implemented at three federal IHP locations, including Oakdale, as of the INS end of fiscal...
