ROBOTICS CAREERS: PREPARING FOR THE FUTURE (HARDBACK)

Rosen Central, United States, 2011. Hardback. Condition: New. Language: English . Brand New Book. This book shows the reader how to transform an interest in robotics into a life-long pursuit. Four major robotics careers are covered: robotics researcher, computer scientist, robotics engineer, and robotics technician. Students will learn how to gain special skills that will help them to excel in their chosen career, and how they can begin preparing for a future career now. Informative profiles of prominent roboticists and their accomplishments give readers an idea of what to expect in the professional world. The practical applications of robotics are virtually limitless, and it appears that this exciting, rewarding, cutting-edge field will continue to grow.
