Martino Fine Books, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. 2011 Reprint of 1960 Edition. Full facsimile of the original edition, not reproduced with Optical Recognition Software. The Conscience of a Conservative was published by Goldwater when he was an Arizona Senator and a potential 1964 Republican presidential candidate. The book reignited the American conservative movement and made Barry Goldwater a political star. The book has influenced countless conservatives in the United States, helping to lay the foundation for the Reagan Revolution in 1980. The book is considered to be a significant statement of politically and economically American conservative ideas which were to gain influence during the following decades. The book continues to inspire contemporary political commentary.
