Reviews

This book is definitely not easy to get going on reading through but extremely exciting to see. I am quite late in start reading this one, but better then never. I am pleased to explain how here is the finest book i actually have read inside my individual daily life and may be he best book for ever.

Excerpt: . . . by the facilities of the X-Ray Department and the Hydro-and Physical-Therapeutic Department, renders a definite and great public service. SCHOOL OF DENTISTRY The School of Dentistry is passing through the experience which prevails with professional schools as entrance requirements are raised, or the course lengthened. This year for the first time the dental course outlined by the Dental Faculties Association of American Universities was put into effect. Although the opportunities for the practice of dentistry are greatly increased by reason of the number of dentists now connected with the Army, and although the Government is still looking for men proficient in dentistry, so that the promise of opportunities for lucrative practice is encouraging, yet less than one-half of the number heretofore entering the Freshman class enrolled as Freshmen this year. There may have been contributing causes, but apparently the main cause of the shrinkage is due to the fact that four years are now required in the dental schools, as compared with three hitherto. It is probable that the number attending the dental schools which conform to these new requirements will be relatively small for some years, since, if the present plans prevail, the public will scarcely be adjusted to the new requirements before one year of college work will be a prerequisite for admission to the four-year dental course, and (as now expected) in 1925, two years of prescribed college work will be required as a prerequisite for the four-year dental course.
