

Burnsiana: Artworks and Poems Inspired by the Life and Legacy of Robert Burns (Paperback)

By Rab Wilson

LUATH PRESS LTD, United Kingdom, 2014. Paperback. Condition: New. Illustrated. Language: English. Brand New Book. This unique reflection on the world of Robert Burns places a range of photographic artworks by celebrated Scottish artist Calum Colvin alongside poems written in response to each work by weel-kent Scots poet Rab Wilson. Colvin's multi-referential artworks are concerned with the very process of looking, perceiving and interpreting. The potential meaning of any individual piece is intrinsically linked to the viewer's personal deconstruction of the image. Utilising the unique fixed-point perspective of the camera, Colvin creates and records manipulated and constructed images in order to create elaborate narratives which meditate on numerous aspects of Scottish culture, identity and the human condition in the early 21st century. At times witty, controversial and tender, the images are presented alongside poems in response by Rab Wilson which equally reflect on the life and aspects of Burns to dwell on who we are, and where we have been, toward what we may become. As Burns reflected through his art the world he inhabited, these works and words strive to reflect on a myriad of contemporary concerns.
