Reviews

This book is great. I could possibly comprehend everything using this published e book. I am easily could possibly get a enjoyment of reading a published pdf.
(Deanna Rath I)

CLOUDBURST: AN ANTHOLOGY OF HISPANIC CANADIAN SHORT STORIES

University of Ottawa Press. Paperback. Book Condition: new. BRAND NEW, Cloudburst: An Anthology of Hispanic Canadian Short Stories, Julio Torres-Recinos, Luis Molina Lora, Hugh Hazelton, Cloudburst is a milestone in Canadian literature. For over a half-century, beginning with the Spanish Civil War and continuing through the coups d'etat and military repression in South and Central America in the 1970s and 80s, Spanish-speaking writers have been arriving in Canada as exiles and immigrants and have been creating new works in their native language. Cloudburst is the first anthology of short stories by Hispanic Canadian writers from across Latin America and Spain to appear in English. Edited by Luis Molina Lora and Julio Torres-Recinos and first published in Spanish as Retrato de una nube in 2008, Cloudburst is a prodigious collective work, containing forty-two stories by twenty-two authors from nine different countries-Argentina, Bolivia, Chile, Colombia, El Salvador, Guatemala, Mexico, Peru, and Spain-and rendered into English by seven translators. The stories in Cloudburst reflect the enormous variety of Hispanic writing in Canada today. Each of the authors' native countries has its own artistic and literary tradition, yet all are bound together by the Spanish linguistic and cultural sphere. Moreover, the women and men in the anthology have settled in cities and towns across Canada, some of them entering into contact with the English-speaking literary world, others with the French. A number of them began writing before they left their homelands, while many of the younger contributors started their careers in Canada. Some of them prefer a traditional literary style, others a more surrealist, experimental, or colloquial approach.
