Packt Publishing Limited, United Kingdom, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book follows the Beginner s Guide approach, taking the reader from introduction to the framework through a working case study site. The text offers many examples of working code, and builds an entire test project during the course of the book. Although the chapters lend themselves to consecutive reading, you can pick up the book at any chapter without missing a beat. If you are a web developer who wants to create web applications using the Kohana 3 framework, then this book is for you. The book assumes that you have some experience with PHP and Object- Oriented Programming (OOP).
