Jessica Kingsley Publishers. Paperback. Condition: New. 352 pages. Dimensions: 8.5in. x 5.6in. x 0.8in. I love you, no matter what. This book tells the uplifting true story of an ordinary couple who build an extraordinary family - describing Sally and Rob Donovans journey from a diagnosis of infertility to their decision to adopt two children who suffered abuse in their early life. Writing with incisive wit and honesty, Sally Donovan movingly describes the difficulties of living with infertility when friends and family have no idea, and the emotional process of arriving at a decision to adopt. She recounts the bewildering logistics of adoption and, after finally Sally and Rob are joyfully matched with siblings Jaymey and Harlee, how their joy is followed by shock as they discover disturbing details of their childrens past. Determined to heal their children, Sally and Rob realize they will need to go beyond parenting to give them with the help they need. By turns heart-rending, inspiring and hilarious, Sally and Robs story offers a rare insight into the world of adoptive parents and just what it takes to bring love to the lives of traumatized children. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
