Roosevelts Second Act: The Election of 1940 and the Politics of War (Pivotal Moments in American History)

By Richard Moe

Oxford University Press. Paperback. Condition: New. 392 pages. In *Roosevelts Second Act* Richard Moe has shown in superb fashion that what might seem to have been an inevitable decision of comparatively little interest was far from it. --David McCullough On August 31, 1939, nearing the end of his second and presumably final term in office, President Franklin Delano Roosevelt was working in the Oval Office and contemplating construction of his presidential library and planning retirement. The next day German tanks had crossed the Polish border; Britain and France had declared war. Overnight the world had changed, and FDR found himself being forced to consider a dramatically different set of circumstances. In *Roosevelts Second Act*, Richard Moe focuses on a turning point in American political history: FDR's decision to seek a third term. Often overlooked between the passage and implementation of the New Deal and the bombing of Pearl Harbor, that decision was far from inevitable. As the election loomed, he refused to comment, confiding in no one, scrambling the politics of his own party; but after the Republicans surprisingly nominated Wendell Willkie in July 1940, FDR became convinced that no other Democrat could both maintain the legitimacy of the New Deal...
