

Positive Thinking and the Meaning of Life (Paperback)

By Marcus Freestone

Lulu.com, United Kingdom, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A brief and concise exploration of psychology, philosophy and the workings of the human brain. We explore consciousness, bad faith, decision making, self-esteem, negative thought patterns, addiction, depression and many other aspects of life. The book ends by answering the question of the meaning of life in two paragraphs. For anyone who s still struggling to answer all the big questions , find out that most of them don t even need to be asked in the first place. Avoiding the usual self-help mumbo jumbo, this aims to be an entirely practical look at the human condition. If your brain sometimes doesn t do what you tell it to, this might help.
