Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The colored lights on the snow gave it a holiday appearance, but the dead woman s body in the yard added a grisly touch. How did Ina Bell Patrick die? Who killed her? And why? The dead woman had no direct heirs, so two nephews and a niece stood to inherit. Dr. Laura Morris was left to make all the arrangements, attorney Roger Morris could certainly use the money, and Zack Morris had disappeared two years earlier. Then there was neighbor and best friend Fay Autrey, who was certain the woman intended to leave her some money-a great deal of money. The police were still looking for the killer who left the frozen body in the snow when it became apparent someone was trying to pick off the heirs, one by one. Who would win the race-the police or the killer?.
