J Ross Publishing, United States, 2014. Paperback. Book Condition: New. 2nd Revised edition. 236 x 193 mm. Language: English . Brand New Book. Used in conjunction with PMI's PMBOK(R) Guide - Fifth Edition (2013), this concise study guide presents all the fundamental knowledge, concepts, exercises, practice questions, and simulated exams needed to prepare for and successfully pass the CAPM(R) exam on your first try. However, this book is much more than a study guide. It is a valuable desk reference that project team members can use to improve their effectiveness and contribution to the success of a project and is also a good resource for those considering a career in project management. Readers will have free web-based access for 45 days to over 1000 questions including hundreds of situational questions, enabling users to perform practice tests by simulating actual 150-question exams and arrange questions by knowledge area. (Note: This access begins when you register for the test bank, not when you purchase the book.) Key Features Provides free online access to over 1000 questions enabling you to perform practice tests by each of the 10 knowledge areas and/or simulate actual 150 question exams, with incorrect answer feedback Contains a pre-assessment test to help you develop a focused study plan and manage your time effectively and a post-assessment test to evaluate your readiness for the actual exam Uses a sample project case study throughout to demonstrate how to apply tools and techniques covered in the PMBOK(R) Guide and exercises to further develop your knowledge and competency Presents key definitions and tips to improve your understanding, and sample end-of-chapter CAPM(R) exam questions and answers WAV offers a flashcard study aid of key terms and concepts, a self-study exercise on understanding the interdependencies of all 47 processes defined in the PMBOK(R) Guide, a case study answer key, and...
