To download **Alaske, Hawaii: Two Complete Novels** eBook, you should follow the web link listed below and save the ebook or have access to other information which might be in conjunction with ALASKE, HAWAII: TWO COMPLETE NOVELS book.

Wings Books, New York, 1993. Hardcover. Book Condition: New. Dust Jacket Condition: New. Dan Bender (illustrator). 6 1/2 X 9 1/2 " tall. Book is a like new remainder. Red dot on top pages near spine.(reminder mark) Small tear in bar code on back of the jacket. Minor wear on corner and edges of jacket. Binding is tight. Book appears to never have been read. Yellowing of page edges due to age. Would make an excellent edition for a Michener collection. Unlike other Michener publications this edition does not have maps on the end pages but does have Genealogical charts in the back of the book. " Each chapter is a mini-novel in itself and tells the story of a particular generation of people in Alaska's development." "HAWAII follows an organizational pattern familiar to readers of Michener's other huge historical novels. First he tells the geological and prehistoric story of the region that provides the book's setting. Next, he introduces characters from early in that region's history - characters whose descendants people the book's subsequent sections, joined by a new group of immigrants as each of the tale's installments unfolds. The Polynesians - the New England missionaries, whalers, and merchants - the Chinese - and finally, the Japanese, arrive in different eras and under different circumstances. Each of these groups finds its own place, or rather creates its own place, in a society that's both challenged and enriched by Hawaii's ever-increasing racial and cultural diversity." This is a heavy book, please contact us first to obtain an accurate postage quotation. Shipping charges may change depending on weight of book and distance to ship. Driftwood Books & News est 1995.
