

Fire Drifter 3: The Vessel (Paperback)

By Carol Bellhouse

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. An instant shot of adrenaline, thick and hot, races through my veins. I power slide through the turns. The drive train takes the Camaro into opposite lock, shredding rubber, surging horsepower. The engine howls, fueled by passion. I burn into the night, finding my way. As her home town recedes in the rear view mirror, Madelyn Tremaine leaps into her dream-a small but savory role in a flashy Foster Lane film. She throws herself into this one chance, immersing in storyboards, boomshots and hitting the mark. Apprenticed in the movie industry, Maddie embraces new sensuality and love. The third book captures us just as surely as the first two. With top-notch writing, Carol weaves her magic yet again. A seductive invitation to 1971. The author has a mesmerizing knack for writing an era long gone. New Adult fans-take notice of this one! Love these shot-out-of-a-cannon characters! Go, Maddie!.
