Brand New Book ***** Print on Demand *****.The second book in the A New Start series, *Where There Is Life* is a story of loss, acceptance, and learning to find your way. Autumn Caparelli just married Matt Evens, the man of her dreams. The man she's certain will transform her hopes for the future into realities . until she wakes up in a hospital bed, unable to remember how she got there or why her new husband is not by her side. As the haze clears and her memory returns, Autumn realizes none of those dreams will come true--at least not with Matt. At home, Matt's absence haunts Autumn, making her world seem dim. Desperate to get away from the sadness that engulfs her, she embarks on a journey to create a new life for herself, one where she can let go of the past and all the pain that threatens to destroy her--but letting go is never easy.
