Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from England s Boys: A Woman s War Poems I have seen a good deal of Miss Renshaw s work lately and I may mention that a copy of i The Holly Leaf, created great interest in a camp where troops of every Scottish regiment were billeted. Miss Renshaw s work was universally admired, and it was the general feeling that she had grasped the spirit of the soldier and expressed his thoughts and emotions in action - and after-in a manner that has had few equals even in these days when there is a perfect spate of war poetry. Her work is poignant with feeling, and appeals strongly to the deep primitive emotions. Her pictures are painted with daring vividness, and to me it seems indeed a marvellous thing that a lady should be able to describe the scenes she does so realistically from imagination. My greatest hope is that Miss Renshaw s book will have the success it deserves - I cannot wish it more - and at least she will have the satisfaction of knowing that her work appeals to the poetry-loving soldier. Yours very sincerely, (pte.) Edward Lawless (Cameron Highlanders). About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
